“ *Thank you Bob for your kind message about my mom. I vividly remember over ten years ago the day my mom and I walked into Sanborn's Candies to browse the candy store. I saw the help wanted sign on the back door, and told my mom she should apply. To my happy surprise, mom told me that week she had the job. From then on, she faithfully worked for you with much gratitude.*

*Shortly after her passing, I remembered her in her red apron standing behind the counter when I would bring my children in to visit. We will always have that memory of visiting her at the candy store, being with two of our favorites: mom/nana and candy. Thank you for giving my mom over ten years of employment, and for giving me and my children the special memories visiting your store.*

*All the best to you, Billie, Caren and all the other employees at Sandborn's Fine Candies. Julie Glaser*

“ *The fondest memories of Jan will always be her need to be neat. She kept all of us on our toes about things that bothered her and the way we kept things at the store.*

*Jan was a tireless worker always finding something to clean and clean and clean. Although she used every flat surface we had at the store to do her task, when she was done you'd never know she'd been there.*

*Bless you Jan.*

*We will continue to miss you.*
