I just learned of Jan's passing. For Alicia, your mom has always been and will continue to be a sister to me. Time and distance has never changed that. I love her and have volumes of memories of good times and hard times. These are the gifts of true friendship. I wish you all comfort and peace . May you feel her love and presence always. Jan, until we meet again, rest easy my friend!

Jan and Ali and if course Grampy were my family when I had no one. We hadn't talked in years but the three of you have a very special place in my heart. I'm so sorry Ali.
