

Jared M. Gillis

December 12, 1990 - June 10, 2020

Hampton – Jared Michael Gillis, 29, of Hampton, passed away suddenly, June 10, 2020 at Exeter Hospital from an undetected heart ailment. He was born in Lowell, MA December 12, 1990 the beloved son of Frederick and Pennie (Condon) Gillis of Hampton, NH.

Raised in Hampton, Jared was a graduate of the Winnacunnet High School Class of 2009. During his high school career, Jared excelled in academics and sports and was selected as the captain of his varsity basketball team. His love for the Hampton school system and the game of basketball inspired him to give back, and he later went on to serve as the basketball coach for the freshman team at Winnacunnet High School.

After high school, Jared attended the University of New Hampshire where he earned a degree in business and psychology. He was employed by the State of New Hampshire park division as an Engineering Supervisor for many years. Most recently, Jared was employed with Arakelian Plumbing and Heating where he was able to hone his trade but in a short time made great friends and truly became part of the APH family.

Jared had a passion for life and was always on the move. He was a sports enthusiast, who loved the game of basketball, but his biggest joy was spending time with his family and friends. Jared was a thoughtful and caring

person who always put others before himself and wouldn't hesitate to give you the shirt off his back. These traits along with his charming and outgoing personality are just a few of the reasons why he was loved by so many and had the ability to befriend just about anyone he met. Jared will be sadly and painfully missed by those who knew him and loved him.

In addition to his parents he leaves two brothers, Frederick Gillis, IV and his wife Sydney of Hampton, Patrick Gillis and his wife Rachel of Dover, his niece and godchild, Amelia, his nephews Frederick V, and Connor, along with aunts, uncles, cousins and many friends.

“ *I am so sorry to hear about Jared. He was a very special young man. He not only was an exceptional athlete but also an exceptional person. It was my good fortune to be able to part of his life as a coach. He stopped by to say hello last summer and he still had the same warm smile that he had when I first meet him when he was in third grade. He will always be fondly remembered. My condolences go out to Fred and Penny. You raised a wonderful young man . We have lost one of the good ones.* ”

“ *Dear Gillis Family,*

When I heard this news the other day it broke my heart. I cannot begin to imagine the pain you all are going through. I was lucky enough to meet Jared when he was a 6th grader and I was a co-coach on the boys B basketball team at Hampton Academy (HAJH then). Jared was always looking out for Kyle and his other teammates. He had a heart of gold and a smile that could go on forever. Years later I would see him at the beach or even coaching at our school and he was still the same. "Hey Miss Thompson," he'd say and stop to chat a bit. He was friendly to everyone, and seemed to always have a positive, happy attitude. It sounds like he clearly kept those characteristics even as he got older. Without a doubt he is fondly remembered by his school teachers and coaches He was good person, who would make any mother proud. I am so very sorry for your loss.
