Let me tell you how proud I am of Katelyn, and Trevor...They are both amazing, but that Katelyn never stops knocking it out of the park. She is so smart, and so beautiful on the inside, and out. I am sure both you, and Kelly are watching over them. I miss you Darlin, but I know without a doubt you and Kelly are both happy... Give Grammy Deyo a big hug for me... She was so full of energy I don't think I could keep up with here, I just love that little lady to pieces, Love you Darlin, XOXOXO ((BIG BIG HUG)) Liz*

I know you and Kelly are keeping a watchful eye over them both. I miss you Darlin, and I am always thinking about how different it is here without seeing you now and then. To think that handsome face of yours is glowing, and that both you, and Kelly are both so happy, so healthy, and one day we will all be together forever... Just keep Katelyn, and Trev, along with all the other nieces, and nephews out of harms ways please... And always remember that you are unforgettable... All my love, Liz

“ Hi Darlin, Katelyn stopped by today to visit me for Mother's Day. She is so beautiful Darlin, and can you believe she's going to the Prom next Saturday night. Seventeen, and driving a car. Trevor is married a whole year now and doing his second tour of duty in Japan. I know your watching over the two of them and keeping them safe. I miss you, and Kelly so much Darlin... I was talking about when you and Kelly did your own Prom and Katelyn was like Nana I don't want to hear about Dad in his red tie, and she started giggling... Well it won't be long and we will al be together again forever, and ever. Just wanted to say I love you Darlin, and I think about you all the time...See you soon, Love Liz XOXOXO

“ Jason I can't believe it's been almost two years Darlin, and then there are times when it seems like it's been a lot longer. I can't even begin to tell you how much I miss you. I know your watching over Katelyn, Trev, and all your nieces and nephews, but would you please keep an extra close eye on Michelle Darlin. I can only imagine how proud you and Kelly are of Katelyn, and Trevor. They are both great kids. I just wanted to let you know I think about you all the time and I am so grateful for the time we did have you here in our lives. Love you Darlin, ((BIG HUG)) Liz

“ Hi Darlin, I just want to tell you how much you are missed, and loved. Katelyn is so beautiful, she looks just like you... Trev's coming home from Japan soon for a visit and I can't wait to have them both at the house at the same time. I know you and Kelly watch over them and keep them safe and that gives me comfort. I'm glad you and Kelly have each other because she really truly always loved you with all her heart. I can't wait to be there with you both... You really are one of my all time favorite son-in-laws because I could always be my self around you and never felt judge... Love you Darlin, Liz

“ It's coming up on a year already, although sometimes it seems like forever. The overwhelming sadness doesn't go away. People always say things get easier with time, but I can assure them it's not true. I do get some comfort in knowing that you were there to greet Kelly, and that you both have so many truly loving family and friends there with you, but it's not the same as having to both here. I know you guys are watching over Katelyn and Trev and you must be beaming with pride... I know we all are. I was just sitting here at 3:15 am thinking of you so I came on here to see what I had written last year... I was in shock and sometimes I still feel as though I am. Well I better get to bed.. You do know how very much I love you, don't you? ((BIG HUG)) Give Kelly a hug and kiss for me, and tell her I love her too XOXOXO Love Liz

I barely remember a time when Jason wasn't in my life. He asked me to take pictures on the Christmas morning when he proposed to my sister Kelly and again when they were married. He loved all of his family so much & I remember how proud he was of the kids. When my date to Robby & Moe's wedding stood me up last minute, Jason asked me to dance to cheer me up. He had a huge heart and was a great brother in-law to me. I will miss him very much. My Prayers are with Katelyn and the whole Deyo Family

“ *A few days have passed and the reality is sitting in more and more...I'm an emotional wreck... This is the closest I've ever been to losing one of my own children and it's ripping my heart out.. I want so much for it to be a bad dream, and have someone wake me up... I hope and pray you realized how very much I loved and respected you... You weren't Trevor's father, but you was his Dad... God gave me four daughters, but he Blessed me with wonderful Son-in-Laws, and losing one is devastated...Give Meme a big hug for me Darlin...We will all be together again when God calls each one of us home, and we will never have to say see you later again... Until then know how much you are loved, and will be missed*

“ Jason was a amazing man, I always said I couldn't of asked for a better dad for Katelyn or Trevor for that matter he always treated Trevor like his own. Jason was my high school sweet heart. The first time I saw him it was like the cartons hearts came out of my eyes and I just fell in love. So I chased him for years then I finally landed him and we finally got married. We were soooo in love we were kissing constantly to the point we started making people sick.. :) Even after we got divorced we were best friends. We would hang out all the time and he was always protective of me and loved me no matter what. I am gonna miss him so bad my world is turned upside down. I know he will always be around in spirit watching over us all.... I LOVE YOU JASON FOREVER & ALWAYS!!! YOU WILL ALWAYS BE ON MY MIND AND IN MY HEART! XOXO <3

“ I first met Jason over twenty years ago on Hampton Beach and we became fast friends, and eventually best friends I have such fond memories of him and I hanging out and laughing, and being silly. He was a wonderful person with a great spirit and my heart will be forever broken that I wont be able to see him again. But even though our hearts are broken the Lord is watching over him now and he is here to heal our wounds....
