“ *My thoughts and prayers are with all of Jean's family. Jean and I worked together years ago, and she would pick me up before 4 am. We use to talk and laugh, and just have a good time. Jean's family meant the world to her, I remember Linda and David but I don't think I ever met any of the others. You will be missed Darlin, it won't be but a second and we will all be together again. All my love Liz*
