“ *Nana - It still doesn't really seem like you're really gone. I'm going to miss all of the great times we got to spend with you. Dinners at Lamie's, trips to Ocean Wok, apple picking, walks on the beach, pumpkin fest, or just hanging out at your house with some coffee, listening to you talk about your latest book or stories from your childhood. You were always quick to smile and laugh, and really never complained, even when your body began to betray your inner drive to always be up and about. I was so impressed that right int your eighties you would take care of yourself and Coco at home, and even continue your trips to the gym! You hold an extra special place in our hearts, and we will forever hold onto the memories we made with you. Love and miss you always - Thanks for everything ;)*

“ *Our sincerest condolences from the Keene family. I will fondly remember all the times I splashed Jean with cold water in the pool while she was doing water aerobics at the gym. She would always turn, laugh and wave then continue with her routine. Usually making up her own moves regardless of what the instructor was doing. I will miss her. Jim Keene.*

“ *Kell, she was a strong person and I know you are as well. I know she appreciated everything you did for her and she loved you with all her heart. I still called her Mrs O'Connell and she never corrected me. I will cherish all the memories I have of her through our childhood up until her last days. I'm glad I got to visit her with you and see how at peace she was. You made her life easier and as comfortable as you could. Love and peace*
