“ *You and your Mom had a special bond. I hope that Ron and the  
entire family can surround you and comfort you. Seems like  
yesterday that we were running in and out of your kitchen after  
school asking for food. I know she loved you, Ron, the kids and her  
grandchildren so much! May those memories comfort you especially  
as we celebrate Easter. I will keep all of you in my prayers. Deb*
