“ I was sadden to hear that my Aunt Jeannie passed away. I will always think of her as a Mom, as I spend several years living with her while my family transitioned to NH. She was a special person in so many ways. A contagious laugh that was sincere. I will miss her dearly I really regret that I could not get to see her one more time. As I often said we need to go see Aunt Jeannie to my brother and sister. She put up with my wild teenage years. I always loved her thought she was a COOL lady took no S\*@\*t from anyone.

“ Mrs.D, I'm so happy that I had the chance to talk with you last year. I will forever regret not getting over to see you too ! You were a huge part of my life and always made me feel welcome in your home. Not to mention your acceptance of me when I fell in love with your daughter. I think for many years I was more a part of your family than my own. You did that ! You always made me feel how much you cared. You were loved by all who got the chance to know you. You will be missed !

“ I will remember Jean's infectious smile. She always had an encouraging word for my mother (they had resided two doors apart for a time at RCRNC). I enjoyed our visits around the dining room table. Jean, you brought Joy to the lives of others!
