

## Jeffrey T. McClure

June 16, 1947 - July 5, 2021

North Hampton – Jeffrey Thomas McClure, 74, of North Hampton, passed away peacefully on Monday, July 5, 2021, at his second home in Alexandria, VA. He was born in Schenectady, NY, on June 16, 1947, a son of the late Thomas and Antoinette (Karis) McClure. Jeff shared nearly 40 years of marriage with his beloved wife, Cynthia (Cummings) McClure.

Jeff was raised in Schenectady. After graduating from high school, he earned his Bachelor's Degree in Civil Engineering from Northeastern University. Following graduation, he worked for the State of New York, Parks and Recreation Department for 12 years. He then took a position with Saudi Arabian Parsons LTD, an engineering firm based in California. While with S.A.P.L, Jeff lived and worked in Saudi Arabia for eight years as a senior project manager for the development of the Industrial City, Yanbu, Saudi Arabia, providing services to the Royal Commission for Jubail and Yanbu, Saudi Arabia. As senior project manager, he was responsible for delivering programs in a wide range of industry fields: defense and security, roads, bridges, and other multi-billion-dollar mixed use projects.

After eight years with S.A.P.L., he and Cynthia relocated to North Hampton. Jeff was then employed with AECOM and served as senior project manager on the Boston Harbor Project. Following the completion of that project, he became senior program director for AECOM's water treatment project in

Washington, DC. He stayed with AECOM up until his passing.

Jeff traveled the world for his work, but being at home along the New Hampshire seacoast with his family was always the most important part of his life. He enjoyed taking care of his home and property in North Hampton, especially caring for the wildlife that lived nearby.

In addition to his beloved Cynthia, Jeff is survived by his son, Ryan McClure of Washington, DC, and his niece, Laurie Dennis of Niskayuna, NY.

A Mass of Christian Burial will be celebrated at 11 AM on Monday, August 2, 2021, at St. Theresa Parish Church, 815 Central Road, Rye Beach. Burial will follow in the Center Cemetery, North Hampton. The Mass will be live-streamed for those that can not attend in person. Click St. Theresa Live-Stream (<https://www.sainttheresachurchrye.org/live-streaming>) to watch.

Rye Beach, NH 03871

# Tribute Wall

“ Jeff was my first cousin. We shared the same grandparents: my mother and his father were brother and sister. I had no idea that he had passed. A little while back, he gave me the information as to where our grandparents were buried in Esperance, NY. Thanks to him I was able to visit the. My condolences to his family. Is his sister, Christine, still with us? I adored his Dad and Mom..Tom and Anne.

“ Unfortunately, I just learned of Jeff's passing after googling him when I could not being reach him on the last phone number I had for him.  
I worked with Jeff on the Boston Harbor Project when we worked for Kaiser Engineers (now AECOM). I was a resident engineering there and he was my area manager.  
Jeff was a real professional in his leadership and ethics and I for one looked up to him as I believe his other team of engineers did as well. He had a quite way of encouraging his team to excellence.  
He will be missed by many.

“ I knew Jeff well when he worked for Parsons at Yanbu. Jeff was always a cheerful person, got along well with co-workers and was respected for his professional approach. When Jeff left Yanbu, he was greatly missed as an excellent senior project manager as well as a strong member of the Yanbu expat community. I was aware that Jeff went on to have a great career with AECOM and I always felt that Jeff was one of those people who would have done well at any profession they pursued. My sincere condolence to his family.

“ *My heartfelt sympathy is extended to his wife and family.*

*I had the pleasure of knowing 'Jeff' (as he was known to us) at our previous job site location in Washington DC. Jeff always exuded that aura of confidence on the job. He moved around with a quiet demeanor and it was always uplifting to talk with him. I will always remember him for a consistent joke between the two of us. Whenever he saw me he would ask me or say something about a mutual friend/co-worker who had previously retired. In a semi-serious fashion he would ask; 'Did X call you? He said he would be in town and would take us all to lunch.' A bit of back and forth banter between he and I about X and we enjoy a laugh.....each time with modifications to the story... and we enjoyed a laugh every time we met.*

*Jeff was a quiet pleasant soul and good to be around. He will surely be missed.*

“ I got the message the other day about Jeff passing away. I had the honor to work with him for a few years in Washington, DC and he was always on top of the job. It was a pleasure as he was so organized. He would always tell me stories about his home in New Hampshire and he always gave me golf balls from the course near his home. He was a great spirit and a beautiful person to work with. I offer my prayers to his wife and son and he was a gentle spirit who many of us had the honor to know. May God bless his family during their time grieving.

“ I just learned of Jeff's passing. I was quite shocked. He always appeared to be in great shape. I know he worked hard keeping his NH home in tip-top shape. I worked with Jeff in AECOM at DC Water and made a surprise visit to his home several years ago on a vacation my wife and I made to NH. I am so sorry for your loss and we will keep you in our prayers.

*Sincerely,  
Blair Ackerbauer*
