“ *I can not imagine what my childhood would have been like without The Twomeys' and specifically "Mrs. T". Coming from a family of 10 kids I was sometimes lost and not getting the attention I needed. I always knew I could just walk across the street and there she would be with a smile and a hug. She loved to chat with us girls and she always made things fun for us. The memories are too many to share but I will cherish every one.*

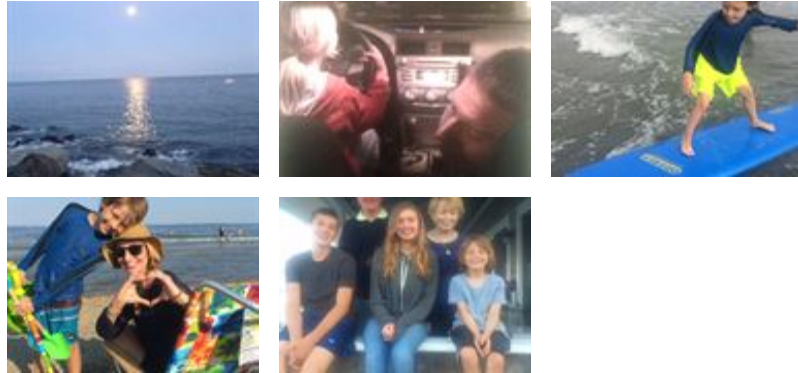

Rest in peace Mrs. T. Thank you for being you and for sharing your love with me. Heaven has gained a beautiful soul.

*Love,
T*
