

Jeryl Klumpp Bacon

July 15, 1953 - October 12, 2017

Stratham - Jeryl Klumpp Bacon, 64, of Stratham, died on Thursday, October 12, 2017 at the Hyder Family Hospice House in Dover, surrounded by her loving family after a long and courageous battle with ovarian cancer. Jeryl was diagnosed in 2010 and throughout her seven year battle she was an amazing force, who fought to overcome obstacle after obstacle. She was brave, iron-willed, and an inspiration to all who knew her and she remained determined to fight the disease up until the end.

She leaves behind her husband, R. Scott Bacon of Stratham; her son, Matthew Bacon and his wife Stefanie of Burke, VA; her daughter, Erin Harris and her husband Sean, and their son, Evan all of Simsbury, CT.

Jeryl was born on July 15, 1953 in Queens, NY, a daughter of the late Roy Jay Klumpp and Theresa Scherr Klumpp. She grew up the middle child, in a small loving family, with one older sister and one younger brother. The family moved to Amherst, NH in 1958 and became permanent residents. Jeryl was a graduate of Milford Area Senior High School in 1971, and earned her Bachelor's degree in elementary education from Keene State College in 1975. After college she worked for several years as a sixth grade teacher at Amherst Middle School before deciding to devote her full attention to starting and raising a family. She was a proud, devoted, and loving mother to her two children, and was loved and admired by her husband of 41 years.

Jeryl was first and foremost a selfless individual, always putting others ahead of herself right up until her passing. Family was the most important element of Jeryl's life, and when she was with family, that was when she was happiest, be it at her home in Florida during the winter months or at the family home on Martha's Vineyard during the summer. That is what made her life whole and fulfilling, followed closely by her love of longtime family friends who she would often visit, go out shopping, or grab a meal with. Then there was her love of New England sports teams. Of them all, the Red Sox held the special place in her heart. She followed them with avid passion. She was also a fan of Dunkin Donuts and could often be found there at least once, if not twice a day, drinking her favorite iced tea and having a bagel or a white powdered donut.

In addition to her husband, her children, their spouses, and her grandson, she is survived by her sister, Denise Paradis, and her niece, Jaime Palmer of Amherst, NH; her brother, Kevin Klumpp and his wife Barbara, and her nephew Joshua of Milford, NH; her mother-in-law, Nancy Bacon of Bonita Springs, FL; her sister-in-law, Heidi (Bacon) Violette and her husband Michael, and her niece Micaela and nephew Tyler of Amherst, NH; and her sister-in-law, Holly Bacon of Bonita Springs, FL. Jeryl also cherished her extended family of aunts, uncles, and cousins, and they know who they are.

In addition to her parents, she was predeceased by her father-in-law, Robert L. Bacon.

The family would especially like to thank Dr. Bruce Bartolini of Core Physicians; Drs. John Schorge, Richard Penson, and William Curry of Massachusetts General Hospital; and all the nurses and staff of the MGH Cancer Center and Phillips 21 for the excellent care they provided Jeryl during her protracted battle. They would also like to thank the staff of the Hyder Family Hospice House for the loving care that they provided to Jeryl during

her final hours.

Calling hours will be held from 2 to 4 PM on Tuesday, October 17, 2017 in the Remick & Gendron Funeral Home – Crematory, 811 Lafayette Rd., Hampton. “ As a former student of Mrs. Bacon when she taught in Amherst, my prayers are with her family. She was a teacher that helped me focus on the task at hand and encouraged me to reach just beyond my abilities. My prayer that she had the faith and belief in the Lord and Savior.

“ *I will always remember Mrs. Bacon as one of the most wonderful and attentive mothers that I ever had the pleasure of meeting. Her dedication to her children was second to none and I always admired her for this incredible trait among many others. The ultimate "Boy Scout mom" she was always there to lend a helping hand, no matter what had to be done and she always did so with a smile on her face. I am so sorry for the entire Bacon family's loss. I can't even begin to fathom the battle that Mrs. Bacon faced over the past 7 years but her courageousness is an inspiration to never give up. My deepest condolences to the entire Bacon family on your loss. I will keep you all in my thoughts and prayers.*

“ *My heartfelt sympathy and prayers to all. I have so many fond memories of Jeryl and of her courage in fighting her disease to the end, but never heard her complain. The most recent memories involve visits to the beach in Florida, which she...and all seemed to enjoyed. She even helped me in and out of the Gulf! She was an amazingly strong person. With much love, Aunt Betty*

“ *We were blessed with the opportunity to meet Jeryl, and remember most her warm smile and how once she met you, she never forgot your face. I was sitting at Panera Bread one day, after having only met her once, and she took the time and trouble to walk up to me and say hello, remembering my name. She really knew how to make someone feel special.*

Sending our sympathy and blessings to her wonderful family. Jeryl and all of you will remain in our prayers.
