“ Whether you were taking my kids bowling while I worked, or we were going out for breakfast, or just hanging out talking about what we would do when the powerball hit... we had good times, and you were a good friend. I miss you so much already. I hope they have Poker & Bud Light in heaven.

“ I knew Jimmy from Hampton falls poker room and then Seabrook poker room, great guy, always talked to you and was very friendly and always had a great sense of humor., we all will miss him tossing empty cups into the trash barrels from the table,

Lol he did this the last Wednesday he played poker. He went to throw the cup and security walked in front of him . he said we will just wait a minute .the security guard said no no it's ok to ahead I wanna see if you can do it.he didn't make the shot (but usually did) but everyone was cheering him on lol. He will be missed and I said a few times I wish I could just be like that sometimes and have fun and not worry but I also felt there was a sadness deep down but didn't know for sure. He knew how to have fun though and I'm sure he's playing off suited rags and smashing it all the way in what many call a better place..rest easy Jimmy.
