“ There are no words for the legacy Joanne has left working for Safeway/ Durham . Her shining personality will live on in our hearts. She touched so many lives in the very best way. I'm grateful I got the chance to know her as both a colleague and a friend. I extend my deepest sympathies to her family and colleagues. May you find strength in her memory.

“ Over 33 years, girl, you and your Mom took control of my son and all my panicking , and made such an impact on our lives. If it wasn't for you and your abundance of love and caring, our lives would be so different; it was you who taught me it's ok to trust others and my Derek would be ok. Whenever we hear Shania sing "I feel like a Woman" we think of you and how you and your mom would yell/sing to Derek on the bus and make him smile and laugh. I'll miss you, but you'll forever be in our hearts.

You were one of my favorite cousins! We had a lot of fun that summer your Mother put us up while my father was relocating us to NH. (my father and your mother first cousins). And then we reconnected once again in 2018. Loved all our long chats since then as we got to know one another once again. You will be missed by many. Always a thoughtful and caring person, ready to help anyone in need. I look forward to our reunion some day in the future, when it is my turn to cross over into eternal life. Keep me in your prayers till then! 💕💕Melanie
