“ I had days when i was a single parent with my son Tim that were almost overwhelming. I was out of work on disability. Joan and Ruthie Knowles got people to help my son and I at Thanksgiving. We would have had nothing otherwise. They dropped a garbage bag full of everything we needed for Thanksgiving. I will never forget what they did for us. The best thing is knowing I will see Joan once again in heaven. I know you all will too. God bless you all.....Patrick Melican
