“ Oh Joanne, What an amazing and special woman. My heart is so heavy over her passing. I will so miss our chats, debates, and shared stories. Joanne's advocacy and knowledge reflected the dedication she felt to the work and she touched so many. We are all better for having known and worked with Joanne.. I will carry with me your advice and friendship always.. To Joanne's family, your mother cherished you all and there was not a day she did not speak of you... find comfort with one another and from the memories... you will have a guardian angel watching over you as the journey continues.

“ I am heartbroken over the loss of a very dear friend. She was special in so many ways. Her strength, struggles, determination and humor were her gifts. A strong advocate, a loyal, caring friend and the gift of gab, are what I will miss most. She will not be forgotten, her memory will be a blessing and whenever I see a cardinal, I will remember my dear friend.

“ Such a sad day - such a big loss. My condolences to JoAnne's family and friends. Having had the pleasure and honor of working with JoAnne for over 20 years, I can say without hesitation, that she touched many lives in many positive ways, particularly the lives of children in crisis. She was an amazing lawyer, but an even more amazing person. She will be sorely missed.
