“ *I knew John very well and got him started on his land development career in surveying and engineering. I am so sad to see this.*

He always had a great laugh!

Our lives parted in the early 90's due to job transfers but i always kept him in my thoughts.

“ To John's family, I am very sorry for your loss.

I had the pleasure and honor of knowing, and working with John for 31+ years, a relationship that became a good friendship. John was a great person, very kind and compassionate, and an avid animal lover.

He will be missed by anyone that knew him.

*Farewell, my friend, until we meet again...
