“ *For the past 20 years I knew Jack as a good friend, fellow pilot, and mentor. Our world was Lantana airport here in S. Florida and lots of great times were had. Jack loved the flying and loved the camaraderie. He was missed when he left for New Hampshire but it was great to know that he was with his family who he loved so much. I would talk to him from time to time and, even though his health was failing, he always maintained his positive spirit and humor. Great guy!*

My sincere condolences to the DeNiro family during this sad time.

“ *Jack will be missed. By me and many others. Jack and I shared many a lunch at the blue anchor, or a early coffee on the avenue. We talked Real Estate and life or whatever was the talk of the day. Always a gentlemen, a great mentor, and Real Estate Professional. If you look back, Jack was the one who raised the bar in the Delray area in the luxury RE Brokerage world. God Bless each and every one of his family, I know he loved you very much. Rest in peace Jack.*

“ I just want to say that I respect and admire this man and his family. Sending prayers of healing and comfort to you all and having a man like this in your life had to have been very special. I will never forget the kindness he showed me professionally and the opportunity he gave me to become successful in Real Estate. His belief in what I could do gave me confidence to try and that is a gift I will cherish. God Bless you all.

“ *It was a special pleasure and privilege to know Jack De Niro over the past eight years as the brother of my very special friend Joan, his sister. He was a man with a particular charm, a sparkle in his eyes, and a lively sense of humor. I enjoyed our conversations. Jack had many interests, and kept informed in a wide variety of areas I shall miss him and deeply regret that a health issue keeps me from attending his service in New Hampshire.*

My condolences are expressed to his sister Joan, to his children Jean, Linda and Dana, to the grandchildren, and to all family circle. Jack lived a full life and reached the good age of 90. May he rest in peace and may his loved ones find comfort in family, friends, fond memories, and faith.

“ Over the last 14 years in NYC I've had the great pleasure of working with Jack and meeting much of the family. He will always be held in reverential status in my eyes as he gave me (at the time a recent college graduate) my first opportunity in NYC Real Estate. He told me the first time that we met that if I continued to work hard at it and focused on building relationships that I would be successful and that the best thing I did was starting early. He was right on all counts. He was always such a natural communicator and even in his final years loved to close a deal. He was a mentor to me as I spent 8 years with him at JC De Niro, and continued our friendship till his passing. I always looked forward to his visits to NYC as we would always meet for lunch to catch up and it always felt like we never missed a beat. I could listen for hours to his stories and just admired how he never stopped living. He always confided in me the pride he had for his daughters Linda, Jean and Dana and the immense joy that his grandchildren gave him. I miss him dearly and wish we would have been able to meet once more "for lunch" but I will forever live life with the zest, joy and humor that Jack exuded in his every day demeanor. Thank you Jack for being a part of my life and I'll forever cherish the time that we spent together.

Love always,

Hunie

“ *Many may not know that Jack was also a pilot. He attended nearly every night of our Ground School this past year despite his flying days being long behind him. Attending a formal Pilot Ground School was on his bucket list and he was brilliant in class! Funny as can be and adding great insight for all the new pilots... Such a joy to have with us.*

To the De Niro family, we are very sorry for you loss. Jack, I hope you're flying once again in that airplane that you loved so much! From all of your friends at Hampton Airfield and Hampton Ground School, Blue Skies!

“ I know both sides of Jack pretty well; family & business. His grandson Tyler is my best friend of 31 years; and Grandpa Jack was part of the package. My family is a real estate family, so Jack and I shared a great passion for entrepreneurship, real estate, transactions, investments, and development. The last time I saw Jack we caught up and talked about his health, and life in NH, but as per the usual, it was business, business, business. The topic of discussion was how to properly negotiate the sale of your business to a national firm... For everyone else at the table it was dry conversation, for me, a wealth of knowledge, guidance, respect for his passion, and most importantly... the guy did not stop working until his body did allow him to any more.

Jack, I love you very much. Although it's sad to see you go, I am so happy you lived a very long life, following your dreams, and trusting your gut. Please say hi to my dad, and please put in a good word for me and your family.

Love,

Chris Okada

My warmest wishes and sincere sympathy to Linda, your sisters and to your whole family on Jack's passing. He was my friend for almost 30 years and my boss for much of that time...a truly wonderful guy, always concerned about others, unfailingly courteous and pleasant, and he was surely good to me in many ways, for which I will always be grateful...Sadly, there aren't many like him in this world, and he will be missed...God bless you, Jack...Bill Mitchell

Wow, Its only fitting that I follow my friend Bill Mitchel, we worked together in our new Boca office of JC De Niro that Linda so beautifully decorated. Jack and I were very close as we were both single at the time and we would fly to the Bahamas for the evening gambling. I would say Jack, I'm a little short today and he would spot me. We would fly the plane up and down the beach and make sure our associates were holding there properties open! He Loved open houses and got me started early on and guess what it work. He was there for me when my Father died-he came to my house and just sat with me. I will never ever forget that. I could go on and on and I just want to send my condolences To all of the De Niro Girls. Oh one last story, I was invited to Jacks 80th? Birthday at the Ritz Carlton and I took my wife as Robert was suppose to be there. When walked in this huge room there was a flower arrangement bigger than I have ever saw and on the card it said " Dear Jack, Happy Birthday and I am so sorry I couldn't make it down, Love Bobby" My wife crumbled, LOL. I loved Jack and I know he's playing Black Jack up above. May he rest in piece!
