“ *Oh Papa 🥺 all I can say is I know your happy because you are back with Nana. You missed her terribly and now we are missing you terribly as well. Our time together as a family was cut to short for me. I miss you coming over for your daily visits with Lucy. We'll have I got news for you! Lucy came here at the beginning (kinda a way of hanging on to you) but that little "Bitch" (as you would call her as well lol) has me wrapped around her little finger. I thought you spoiled her. Omg she's an out of control Princess now. She has a car seat, clothes, little ugg boots you would die laughing at me. She misses as well but she's doing good. Oh do we miss our parents. You know it gets a little boring around here without your visits. I'm a full time resident now. Yuck lol no kidding. You and Nan are both in my thoughts and prayers every day! I love you both so much. ❤️💋 carolyn*
