“ *So sorry to hear about Jack...I always enjoyed visiting with him and Bev. Being from Salem he always had a bunch of questions of people and places we might both have been familiar with, plus we could talk of books or politics and he had such a wonderful sense of humor. I've truly missed those visits.*

*My deepest sympathies,
Barbara Lazzaro*

“ *Although we only got to know John in the last several weeks, I know our volunteer drivers enjoyed their conversations with him while giving him rides.
I'm glad we were able to provide a bit of assistance to John and to his family.
With sincere sympathy,

“ I was Bev and John's wedding photographer even though they went to a justice of the peace at the court house. I knew someone and it was Beth who came along to need to see her parents wedding. So glad I captured their love for her to have as a memory. My late husband Gerald Thaddeus Theriault was Bev's brother. All my sympathy and love to Beth and the Holland family and Pellitier family. Love, Pamela Jones.

I was fortunate to assist John on two occasions through TASC and enjoyed very pleasant conversations with him. He had a great sense of humor and commented on how "talented" I was to be able to avoid "bumps" in the road. So very sorry to read of his passing.
