“ Chris and Kathleen,

i am not sure if you will remember me, I was the Director of Parks and Recreation in Hampton for many years until a little earlier this year. I just wanted to tell you how sad I was to hear about Jonathan. Over the years, I got a chance to meet many families in my job and some of them made a lasting impression on me. Jonathan was one of those kids that I will not forget. I remember both he and Collin as kids from our flag football league, from summer camp, as alter boys at church and as Boy Scouts. I always thought they were very happy, fun loving, good kids. I remember Jonathan as quite a character...he was always smiling and joking around. He was certainly a fun kid to have around and it was a pleasure to get a chance to meet him and your entire family through our events and programs.

Please know that you are all in my thoughts and prayers at this sad time.

“ *I had the honor and privilege of meeting with and talking to your son. He was a great kid. We were Smallboat sailing partners at hidden Valley in 2014. I will never forget the week we had together. To this day I still remember the time we had at hidden valley.*

“ My favorite memories of Jonathan was always his first jump in the pool on Memorial Day weekend. I remember one year he had gone to someone else's pool before ours, jumped in and jumped right back out because it was too cold. When he came to ours he thanked us for having the heater and warm water for him. He was a sweet and caring boy who always has a place in our hearts.

“ My daughter served with Jonathan and thinks of him like a brother. For both of the Marine balls they attended she sent me a picture of her and Jon. I never got to meet him but know he must be special. She always shared that through all their training and service they had good times, supported each other, and were close as family. This loss is so painful. I pray for a special touch from our Lord during this time. We thank Jon for his service and ultimately sacrifice. We also send love and hugs to his family and friends. God bless you all. Pamela Hasian

“ Someone as special as Jonathan will never be forgotten, he'll remain in our hearts forever. I remember Jonathan as a quiet, focused and determined young man. Whether we were discussing Boy Scouts, Swimming or his desire to serve his country he always knew exactly what he was after and how he was going to achieve it. A special young man indeed.

*With love and remembrance from our family to yours.
