“ Hearing the news of Joe's passing was truly as if a ton of bricks fell on me. Joe always greeted me as "Brother," and although I am the same age his dad was at his dad's passing, I still felt a warm, caring brotherly connection with this guy who, when he gave me a bear hug, it WAS a BEAR HUG!!

*And as a fellow chauffeur, we were/are part of a bigger fraternity of customer service folks who provide that customer service from behind the wheel of a livery vehicle. And Joe was top notch in that service. I know because I partnered with him on a couple of multi-vehicle assignments where I experienced first-hand Joe 's professionalism, courtesy, and ALWAYS his great sense of humor.*

*I began to pray for Joe and his family the minute I heard the news... and will continue to do so, 'cause this guy's very nature brought an upbeat feeling to those who connected with him. I will not forget Joe, and may our Creator's grace shine down on his soul and on all his family. I am grateful to have worked with him. Thanks, Joe!*

*Peace,*

*I worked with Joe at Regal. I always seen him in in the halls there. Then in the last couple weeks I spoke to him more while he was dispatching. His easy smile and friendly attitude will be missed. Like most I am shocked by his passing. Though I don't know you (Joe's family and friends) please know that even the people who barely knew him loved him. He will be missed.*
