“ *I am so happy that Joe and Anne could spend quality time together no matter how long. He loved Anne with all his heart and she felt the same way and was with him helping him until the end. I am so sorry and I will remember when I told Joe my favorite song was (Rhinestone Cowboy), he immediately played and sang it to me. Condolences to Judy and Dale*

“ *Unfortunately I never got the opportunity to meet Joe in person just on facebook. He and my Aunt were in love for a very long time. They reconnected and made each other very happy. She was there for him until the very end and made his life complete. I know he is in heaven and will be her guardian angel forever. Thank you Joe!*
