“ *Mrs. Theriault, Daryl, and Dennis,*

My condolences to each of you on the loss of Mr. Theriault. I have fond memories of him during our childhood in the early sixties. I remember him pitching to us in a few of our many ball games at the end of the street and playing catch in the backyard. It was always special when one of the dads joined in with us kids. I will never forget him or growing up on Tucker Lane.

“ I get the Presque Isle Star Herald and was sorry to see Jose's passing in it. I knew Joe. He would be my 2nd cousin being his father and my grandmother Rose Theriault Beaulieu were brother and sister. I also remember his mother and brother John. Maynard, as we used to call him when we lived in Ashland. Always respected him for his service to our Country. From one Vet to another. Rest in Peace Cousin. Our condolences to his wife Elizabeth and family. Dana & Maureen Michaud. South Portland, Maine

“ It is with a heavy heart that we say goodbye to our good friend. We will never forget his visits to our practice and the joy he brought each time we saw him. From collecting state quarters and dollars, to our breakfast meetings, to talking all things of snowblowers, Joe will be deeply missed. His stories of service to our country shall always be remembered and cherished for the sacrifices he made. We hope you have found an amazing workshop to tinker in and fields of fiddleheads to pick! We love you and miss you.
