

## Joshua B. Mills

June 5, 1990 - April 8, 2023

Stratham – Joshua Brian Mills, 32, of Stratham and a former resident of Hampton, passed away on Saturday, April 8, 2023. Joshua was born in Princeton, WV on June 5, 1990, a son of Cathie Mills of Stratham and Paul J. Roberts of Kingston.

He and his family moved to New Hampshire when he was very young. They lived in Hampton for several years before relocating to Stratham in 1999. Josh graduated from the Great Bay Charter School in 2008. He held several jobs but always returned to the food service industry due to his love for cooking.

Josh was a talented artist and often gifted his drawings to family and friends. He was also a self-taught guitar player who could hear a song for the first time and play it back. Josh always loved being outdoors, a trait he probably acquired from the many visits to the family property on Kezar Lake, ME. He was a free spirit who enjoyed the quiet, simple life. A perfect day for Josh would be a long hike through the woods, living off the land as he went.

He leaves his mom, Cathie Mills of Stratham, his dad, Paul J. Roberts and his wife, Dawn of Kingston, his son, Silas Mills, of Stratham, his brothers; Ethan Roberts and his wife Ana, Brandan and Vincent LaBroad and Ryan Johnston and his wife Courtney and his sisters; DeAnna Lester and Sarah and Abigail Roberts. He is also survived by his grandparents, Richard and Suzanne Mills

and numerous aunts, uncles, nephews, and cousins.

He was predeceased by his grandparents, Lester and Judith Roberts.

Friends may visit from 2-4 PM on Sunday April 16, 2023, in the Remick & Gendron Funeral Home – Crematory, 811 Lafayette Rd., Hampton. A Mass of Christian Burial will be celebrated on Monday April 17 at 11 AM at Our Lady of the Miraculous Medal Church, 289 Lafayette Rd., Hampton. Burial will follow in the Maple Lane Cemetery, Stratham. In lieu of flowers, memorial donations may be made to The Freeman House, 12 Stark Ave., Dover, NH 03828, online at <https://thefreemenhouse.square.site/>.

“ *Josh was so many things - warm, funny, thoughtful, passionate and deep. He felt things strongly and was harder on himself than anyone else would be. Losing him at this young age is so hard. We have so many memories to keep so the future will not feel quite so empty without his presence in the world. Our love and thoughts are with Silas.*

“ *I wish I was as good with words as you and Justin but I'll do my best. When we got the call Saturday, my heart sank. All the good times we had together started to play through my head like a movie. I will never forget the Josh I knew and loved. The big hearted kid that loved to make me laugh. Drawing me pictures in the middle of class. One of which I will never let go of. Meeting Silas for the first time and you making us the best carrot cake I think I have ever tasted. I will always keep those memories close. We love you Josh! Until we meet again!*

“ Josh, words can't even begin to explain how devastated I am by your passing. The best memories of my childhood were all with you. You were the only light in the darkest years of my life and I can't thank you enough for helping me through those tough times.

*For years we were an inseparable. We had so many great memories. Between Matt's house, our weekend trips to Rhode Island, and our trip Disney World together, I feel lucky for having the honor of calling you family.*

*I'm going to miss sharing the ups and downs of life with you. You always knew just the right thing to say whether things were good or bad. Your smile and laugh could light a room. Now the world will forever be darker without you in it.*

*I love and miss you little bro. I hope you know how much you meant to me. Until we meet again.*

“ to my beautiful Nephew,  
i'm not sure how to write a memory when  
there are too many to list. You've always had  
such a kind heart and loved your family so  
deeply you are sunny handsome and vibrant  
most of the time. I'm sorry you struggled. I remember the year you  
lived with us how much fun we had and I will definitely miss our  
Facebook messages, I love you with all my heart and I'm so  
heartbroken. Please watch over the family especially Silas until we  
meet again my beautiful nephew. I love you.
