“ My sweet mamasita, My heart is full of so many wonderful memories of the best buds adventures. The trips to Mexico and Jamaica full of endless laughter and pranks pulled on the boys. Long days on the boat and sitting by the fire for hours never wanting to leave. Cooking your “bugs” 🐛 every year for your birthday and you always making sure there was a steak for David. I know that you and David are sitting on the beach by the blue waters drinking pina colodas and thinking of pranks to play when we can all be together again. You have left a hole in all our hearts that we will try to fill with the love you have so freely to the ones you held dear.
