“ It's with a heavy heart that I offer my condolences to the entire Feliciano Family. I worked with Juan for the last 11 years. We shared a lot of laughs and our love of animals. I will miss him so much. Please be comforted with the fact that Juan talked lovingly about his family all the time. God Bless!

“ *Uncle Juan, thank you for being such a wonderful Uncle and friend. You were one of the most kindhearted people I've been blessed to know. Thank you for the many many memories, the jokes and laughs, for the wonderful family traditions, and for the generosity, kindness, and love you showed me, my husband, and my kids. Hard to imagine pulling into River Street without you running across the street to say hi (usually with a treat for the kids or our dogs in tow!), never mind all of the family traditions you were so incredibly integral to. We love you, and you are so so missed.*

*The world is a much sadder place without Juan in it. He touched the lives of everyone he met. To meet him even once was to know that Juan was the "real deal." The lives of all members of the Lorenz family have been enriched forever by knowing Big Juan. We cherish our memories of Juan and send our love and deepest sympathy to you all.
