“ *To Dionne and Bly families,  
I'm so sad to hear of Judy's passing. We were friends all through high school, and worked together at Liberty. We've kept in touch through the years on our birthdays which are 3 days apart, and attended some class reunions together. It's hurting my heart to know our birthdays are this week, and Judy won't be celebrating hers.*

*My heart goes out to her boys. May God be with them and bring them peace.*

*And may Judy now be at peace with God.*

“ Dear Jordan and the Bly family,  
I was saddened to learn of your Mothers' death this morning in the Portsmouth paper. What a difficult time this has been. My heart goes out to you. You are in my prayers. May you feel the comfort God promises us. “For I know the plans I have for you, declares the Lord, plans for welfare, and not for evil, to give you a future and a hope.” Jeremiah 29:11. I pray through grieving, you come out on the other side with good memories, a new found path for your life, where you reap the benefits of your hard work and find happiness.  
Peace be with you, your neighbor, Joanne Hardin
