Mom,

We Thank you for your unconditional love. We love you wholeheartedly, you have taught us so many values in life of which we will always remember.

You have always been so forgiving and told us not to hold grudges, to be forgiving as you have.

Fair winds and following sea.

And the wind in the waves whisper, don't be afraid, I am here. Close your eyes, the smell of the salty air and the spirit of the ocean will move you.

Everything is as it shall be eternally.

With love, Donna, Cheryl, Linda, Joetta, Chuck and Ronnie

“ Dear Mom, I first met you pretty soon after me and your son, Chuck started dating. He will always be the love of my life. You did a fantastic job of raising all your children. I can't begin to tell you how much you meant to us, your family values, the love you had for everyone. Mom, I wish I was more like you. You have an incredible passion of cooking, of life, your children, happiness, senserity to all, honesty, your laughter with your amazing voice, your talent with anything you touched. I love you and miss you so very much. I'm so sorry I didn't keep in touch with you. But we were always close to each other and I know when you left for the Sea...you left with comfort and with that gorgeous smile of yours. We made so many memories together and I will always, always cherish you Mom and keep our memories close to my heart.
I love you Mom you are free now, I will see you over the Seas. Yes we will, Love Elaina xoxo 🥰
