“ Judy and I had worked together over 45 years ago at Unidata in Newington, NH. Over the years we'd kept in touch and she stopped by for a visit on one of her NH trips. It has been some time since we'd communicated and I'd run across a picture of her which we'd used for Unidata marketing and decided to call her. It was no longer her number. After some searching, I was very saddened to find her obituary. Judy was extremely competent, always fun loving, upbeat and a good friend. I will miss not being able to speak or stay in touch with her. My condolences to Mark and Amy and their families. God rest your soul, Judy.

“ Judy was one of the kindest people I have ever met. She loved our daughter, Suzi who is mentally handicapped. They would have such fun together in the many restaurants that we would frequent. Judy was smart, kind, funny & compassionate. She will truly be missed. It was an honor to know her. May she rest in peace. Our condolences to her family.
