“ *I never had the pleasure of meeting Mrs. June Louise Bean, however, I have had the pleasure of meeting and getting to know her sons and grandchildren. If a person can be judged by the children that they raise, then Mrs. Bean is truly a champion.*

“ When I came to Hampton in 1970, there were a few mothers whom I found amazing. June was among them. These women were raising families on their own. And every one of them was unbelievably successful. June certainly had her hands full. The three younger boys had more energy, imagination, and innate “rascal” than I thought possible. June walked through it as if was a stroll in the park.

She was so proud of her boys and their families. And she loved them. But, the grandchildren were hers to spoil and indulge. It became clear from whom they inherited the rascal. I was fortunate to see her frequently after she retired. And she would regale me with stories of those she most loved. She now gets her well-deserved rest in Mercy’s arms.

My thoughts and prayers are for your peace and comfort. June is already riding herd over children within the Pearly Gates.

Much love, Sheila

“ *My heartfelt sympathies go out to all of June's family. I spent many years admiring this beautiful woman when she would be at her husband's grave (my sister is buried on the next road) until one day she turned and we said "Hello" we walked and met in the middle for an introduction and a much needed hug. Every meeting thereafter would start with a hello and end with a hug. It was good to see her again when my church would sing Christmas carols at Oceanside. Amazing people only leave physically their spirit will be here for ever. In June's case that means she's never leaving.*

Rest In Peace

“ I was Her hairdresser many years ago and again at Oceanside a couple years ago. My memories of her were how beautiful she was how poised,strict,loving and caring about the people she loved and the town of Hampton she was so proud of. Also I'll never forget the "pink baseball hat " on her bad hair days when she needed me most. Linda Seguin RIP June
