September 30, 1941 - April 28, 2026

Hampton — June Marie Bennett, 84, of Hampton, passed away peacefully on Tuesday, April 28, 2026, at The Edgewood Center in Portsmouth, after a long illness.

Born in Newburyport, Massachusetts, on September 30, 1941, she was the daughter of the late Walter and Hazel (Chapman) Purington. June shared 53 years of marriage with her beloved husband, Robert L. Bennett, until his passing in 2015.

and her Fiancé Zachary Hawkins; her son-in-law, David Pecola; her siblings, Frances Paul and Marion Lamie; and her great-grandchildren, Bennett, Jameson, Brewer, and Hazel. She also leaves many beloved nieces and nephews.

In addition to her husband and parents, she was predeceased by her daughter, Ann Pecola, and her sister, Constance Holman.

The family would like to send a special “Thank You” to all the staff from the South Wing of The Edgewood Center for taking such good care of June over the past three years.

“ Rodney, Dana, Ari, and family,
I am very sorry to hear that June has passed. She was always a kind , loving beautiful sole.
I have great memories back in the day, hanging out at the house with Ann, always doing something fun, the Friday night shopping trips to Portsmouth. And then a few years later in the girls bathroom at Winnacunnet high school where she learned probably more than she really wanted to know about teenage girls. She was in there so that we didn't smoke, she did accomplish that and hopefully some of us took some her motherly advice.

Great lady ❤️ my thoughts are with you.
RIP June

“ I grew up at June's home daycare and have nothing but warm, loving memories of the years I spent with her. My summers were full of splashing in her pool, playing games in the yard, and drinking kool-aid while we watched cows across the street. I thought it was pure magic that she made one long, curly peel with apple skins, me under foot trying to see how long THIS one would be!

June was warmth, love, patience, and joy, and I am grateful for the time spent with her.

To June's family, my deepest condolences. I am holding you in love while you navigate your loss, and hope you find comfort in your shared stories and memories. ❤️

“ *She was my neighbor, but it felt like family—like a second mother I didn’t even realize I had at the time. Her door was always open, her home always warm and welcoming. No matter what chaos was happening in my own family, her house was my escape.*

She always wanted to feed everyone—sitting around her table, talking and laughing, even more so when Bob was involved. Those moments meant more to me than I can put into words. She was always busy with her housework—cleaning, dusting, washing windows, vacuuming—yet she somehow always made time to welcome me in.

She didn’t just care for her home; she cared for people. And she cared for me in a way that helped shape who I am today. When I think of her, I will always think of her kindness, her warmth, and the way she made me feel welcome.

She was a neighbor by address, but family in my heart.
