Just wasn't your time.  
I'm thankful our last words to each other were  
"I love you".  
Please watch over the family as this the hardest things they've been  
through.  
You were an Angel on earth and now an Angel  
In Heaven.  
I will miss you more than words can express 💕💕*

“ Hearing of your loss surprised everyone. You were always so full of life, and upbeat. As I was reading your obituary Kathy I see all the many blessings throughout your life. The family that you loved so dearly, and the many friends that you had gotten to spend lots of fun times with, and I know those friends and just hanging out with them was always a good time. I never saw you without a smile, and even if you were in a hurry you took a few minutes to catch up with friends. It's heartbreaking to even be writing this, but I know how wonderful Heaven is, and I can only imagine the huge welcome you got as you went through those pearly gates. My prayers are with all of Kathy's family and friends, and just keep in mind that we are all just one blink away from being together forever, and ever... You will be missed Darlin, Love ya
