“ *My condolences to Kelly and the Harris family/friends. Me and my wife had the honor of serving with Keith at PT. Whenever I saw Keith he had a positive attitude (even while struggling with the pain of his condition). Keith was a person who helped our church do it's mission and reach it's goals from behind the scenes but the impact is still effective today. God bless all who read this with His comfort which helped to sustain Keith until he was called to his heavenly home.*

“ *We were so sorry to hear of Keith's passing, Kelly and Willow. We know there is nothing we can say to lighten the heartbreak you are feeling now but we are here if you need anything, anytime. We wish we could give you a hug right now but we will when we are allowed again. Keith is at peace now and someday you will be too and he'll be waiting for you in heaven Kelly. Your memories and family and friends will carry you through this time but know we are here any time for whatever reason.*

Keith was a beautiful person and you deserved him and he deserved you- now you deserve to be at peace too. That is our wish for you.

Please take care Kelly and Willow (we know you miss your daddy too)
