“ Shared many memories with Kenny. Teased mercilessly by him. But I wouldn't change a thing. My lasting image of him is on his horse "Twink"?...the horse's name might not be right , but to a little girl with a crush on the rider...he cut quite a handsome figure. Peace Kenny...and to his family.

“ My Sweet Kathy,

Ken was a big hearted rough tough cream puff! Can you imagine his reaction to that description of him?! LOL! I sure do miss his deep booming voice over the phone when ever I called you! I can only imagine how it must be for you! I loved how he called you Katherine!

I am glad you have Molly, Mindy & Rosie. I know they are a comfort & blessing.

When God brings you to it, He'll bring you through it, One day at a time!

*You know I'm here for you Sis!
Love, Diane*

P.S. And to Kens family in New England, you don't know me; you also have my condolences.
