“ my son last night i was trying to sleep my sons voice did i hear .I opened my eyes and looked around but he did not appear .He said mom you got to listen you got to understand ,god didn't take me from you mom he only took my hand .When i called out in pain that day. The instant that i died .He reached down and touched my hand ,and pulled me to his side .He pulled me up and saved me, from misery and pain. My body was so badly hurt i could never be the same .My search is really over now Ive found happiness with in .all the answers to emty dreams and all that might have been .I love you all and miss you so and ill always be by. My bodys gone forever But my spirit will never die! and live one day at a time ,just to understand . god did not take me from you .He only took my hand. mom loves you son and dosnt blame god ,i miss you but your forever in my heart .I know your with me in spirit. rest in peace my love until i see you again in heaven.

“ What a shock to find out you are gone. You were my first Grandson, and though many miles and circumstances separated us through the years, I treasured all the times I was able to see you and your brother Jason. I was so happy to get to see your girls at my 70th birthday party. I hope you knew how much I loved you. Your Grammy, Betty Coberly Foster Cusick
