“ *I am so sorry I missed your funeral. I just found out. Kenny you were always a good friend to me and Kurt no matter what was going on. A hard worker, great provider and all around good man and friend. You always made us laugh with your quick witted sense of humor and contagious laugh. You will be sadly missed by many but never forgotten. One of a kind. You definitely marched to the beat of a different drum but always stood up for what you beloved. Thanks for all the memories over the years good and bad. Please tell Kurt I miss him when you get to heaven. Rest in peace now my friend your work here is done. My love, prayers and condolences to you Bern and all the kids. God bless you all. Kathy, Kayla, and Stiert*
