

Kenneth B. Sidoti

July 7, 1943 - March 29, 2022

Hampton Falls – Kenneth B. Sidoti 78, a Hampton Falls resident for the past 21 years, passed away peacefully on Tuesday, March 29, 2022.

He was born on July 7, 1943 in Cleveland, OH the son of the late Salvatore and Susan (Ferranti) Sidoti.

Kenneth worked for Centech Group Inc. for 17 years in network operations before retiring in 2008 and later for AutoZone in North Hampton, where he made friends that became family.

He was a longtime member of Church Alive in Portsmouth. A patriotic man, he enjoyed building and racing cars, playing his guitar and listening to music, riding his motorcycle with his wife and church family.

He shared 40 years of marriage with his wife, Lee (Cunningham) Sidoti of Hampton Falls.

In addition to his wife, surviving family members include his daughters, Kayla Sidoti-

Voltz and her husband Matt Voltz of Fargo, ND and Jamie Lee Sidoti of Kittery, ME; grandson, Thomas Voltz; his sisters, Paulette (Sidoti) Brown and husband Daniel Brown, Donna (Sidoti) Carpentz and late husband Kurt

Carpentz, Patricia Sidoti (deceased); nephews, James Hunsdorf and Joseph Hunsdorf and niece Gina Carpentz.

Growing up in a Sicilian family, there was never a shortage of love and food. Kenny being the first born and first grandchild never heard the word “no” in his life. Spending his younger years with his Nonna and Nunno, he quickly learned that everything in life must be done with passion. Strong willed and determined to achieve success in any endeavor; his spirit of excellence was present in every aspect of his life.

Beloved brother, some would even say the best big brother to his sisters. Ken was a true friend to many. He loved to share his passions with those who surround him. He was the type of person that didn't talk to talk, but said what needed to be said. Dependable and honest, there wasn't a cruel bone in his body. He would befriend anyone he met and opened his heart with loving arms. Ken lived by the rule “do unto others as you would want done to you.”

The anchor to his family, keeping them grounded in an ever changing world. He was blessed to not only spend his life with his loving wife, but most importantly his best friend. Through happy and sad times, his strength was found in God and his family. The Sidoti home was filled with memories that will live through a bond that can never be broken through time or distance.

Ken loved his children more than life itself, but nothing compares to his love of his grandson. He finally got his little boy to bring to the racetrack. Thomas was barely out of diapers before he was driving his toy jeep at grandpa's house. Nothing made him smile more than the laughter and joy of his grandson,

As he rests in peace, may there be solace that he is no longer suffering and in pain. Ken will forever live on in the hearts of every person he shared his life with. Dearly beloved and forever missed. Nothing will ever compare nor fill the

space he has left in this world.

“ I will cherish countless memories in my heart forever. My favorite part as a little girl was going up to New Hampshire to see Auntie Lee and Uncle Ken. Many weekends and summer sleep overs at their house in Salem, sitting with uncle Ken in his office, listening to his stories, going to church. My favorite part as a little girl was their water bed 😭 . Rest In Peace Uncle Ken, you Will be missed by so many ❤️

“ *Rest in peace my friend. I know that the shores of glory are abit brighter with you there!*

My condolences to a great family man and lover of God's good truth in Jesus.

Ken giving me a shot as a cable / network tech in BL13 is the primary reason how I've been able to sustain a continuing 21+ year IT career supporting the Portsmouth Naval Shipyard community!

God bless you, sir. We will meet again soon!

“ *Ken became one of the family from the time he first set foot at Big Island Pond - a rare feat! Many others took years to “break in” but not Ken. He was right there in the thick of all of our crazy relatives working on whatever the latest insane project was. He spent hours and hours working on boats and could be heard banging away on some obstinate device with Big Jim and Paul out back at any given time. When he had time to visit, his easy smile and ever present chuckle brightened any group conversation. Rest in Peace, Ken, until we meet again.*

“ *Ken's personality was younger than his years. He was always ready with a quick smile and a funny story. Ken became the cool uncle to our sons with stories from his youth, motorcycles, cars and music.*

He loved his immediate family, his extended church family and his many hobbies.

Ken will be dearly missed by our family and will always be in our thoughts and prayers.

“ After knowing Ken for most of my life the two things that stand out for me are the love he felt for his family and how he made you feel when you spoke with him. Ken always had a smile on his face and listened to what you were saying when you spoke to him. He was always such a good friend to my parents and especially supportive of my mother.

God Bless Lee, Jamie and Kayla during this difficult time.

May he Rest In Peace.
