“ *Gloria, I should of done this a while ago. We are so sorry for your loss. Kevin was always a great guy to me. When I was young and had first met Kevin, he always honest and up front with me. He was a man's man no doubt. I always respected the things he had to me. The thing that always got to me with Kevin was his smile. He always laughing and smiling. He will truly be missed. The only retreat I do have , is that I didn't get to spend more time with him. God bless and RIP Kev.....*

“ *Of all the family, you were the one that reminded me most of my father. It wasn't just that you both looked so similar, but it was also your love of life, your laugh, and always willing to break for a good time with the family.*

I'm so very thankful that we all had the chance to get the family together for a great visit a few years ago. It is that memory of all the laughing, stories and fun, how we had all grown up and somehow even got old that I will keep in my heart. God speed my cousin.

Love, Carol Ann
