“ Auntie Liz Misses you so much Darlin. So many times I have thought I have seen you around town, but it wasn't you. I expect to see you out in front of your house taking care of your beautiful flowers. Losing Kelly was a hard hit, and then losing you the very next year about knocked me off my feet. I love you Darlin

“ *When I picture Heaven I picture the most gorgeous flowers everywhere. I try to imagine just how all the brilliant colors go on and on in fields as far as the eyes can see. The fragrance, and how awesome they must smell. The peacefulness, never too hot or too cold, just perfect in every way. All the family and friends that are waiting there to greet us when we arrive. The overwhelming feeling of love, and being in the present of our Lord. And as much as I love you, and will miss you I wouldn't want to take all that away from you... So when it's Auntie Bab's time you make sure you meet me at the gate. In the mean time you just live life to the fullest and give everyone a hug from me. And I will continue my ride on the train*
