“ Kim, you've been one of the biggest parts of my life since I was born. You blessed me with a part of you and a best friend, 4 months apart to the day I was born, with your daughter. I'll always cherish the memories like when me you Lisa and Billie-Jo got our noses pierced down Hampton Beach at Dredz to me and Billie-Jo getting ready for middle school dances and you'd be right there with us! All the fun times singing and dancing to classic rock in the garage. The time I had to do your eyebrows at 7am and I had dirt in my mouth from passing out in my yard the night before. You were and ARE one of the funniest, COOLEST, rockin chicks this world has ever had the privilege of having. I cant wait to see you again and dance the afterlife away with you! I love you forever Kim<3

“ You will be greatly missed by many people. You were always smiling and raising hell lol I'll miss you. We had some good times shucking together at Kneelands and going to Bath n Body smelling everything until we couldn't tell which one we liked. I'll never forget the day we were smelling a lotion and you squeezed the bottle too hard and it shot into your nose we laughed so hard we were almost sitting on the floor with everyone looking at us. Keep smiling and shine bright. One by one we will be heading your way. Love and miss you cuz. ❤️

“ You have always been a beautiful butterfly Darlin. Some people go their entire life and they never become a butterfly, you never see their beauty shine through, but ever since I can remember you have always had a beautiful soul. Your personality is off the chart, you have so many friends, and just looking at your smile makes others smile. God you know that you got a beautiful angel, one that will always shine so bright. Just look up at the sky tonight and the brightest star I am willing to bet it is Kim. The youngest of five sisters, and one brother that I loved to pieces. Then there is BillyJo a mini you without a doubt. While your life here on earth wasn't nearly long enough for any of the loved ones you left behind, we can all rest easy in knowing this isn't Goodbye, this is simply See You Later Darlin. Heaven is our real home, earth is just where we learn lives lessons. Please give my Kelly a big hug for me Darlin... And While I'm praying for all your family, and friends, we have to all keep in mind that the song " Don't Blink by Kenny Chesney " is so true... Heaven has no time so when our loved ones get there they turn around and we are right behind them... Sending all my love and prayers to BillyJo, Pam, Lisa, Lulu, Dee, Grandbabies, Niece's, Nephews, and My Ryan.... She is only a prayer away
