

Kristie S. Sicard

May 23, 1978 - February 11, 2023

Seabrook - Kristie Shannon Sicard, 44, of Seabrook, was born in Methuen, MA on May 23, 1978 and passed away on February 11, 2023, surrounded by loved ones. Living in New Hampshire for most of her life, Kristie was a woman who loved her family above all else.

Starting her career as a pharmacy technician, she quickly learned that helping care for others was her passion. This led her to eventually work at Brigham and Women's Hospital helping chemotherapy patients. With her infectious laugh and open heart, Kristie had the unique ability to make friends quickly anywhere she went. She also kept life-long friends close to her until the end.

Her greatest accomplishment was undoubtedly raising her son Joshua. He was the love of her life and the source of all her pride. Joshua provided his mother support, love and comfort until the end.

In addition to her loving son, Joshua Harvey, Kristie is survived by her mother Karen Sicard, her father Steve Sicard, her sister Candice Krans (Sicard), her brother Steve Sicard and many other extended family members.

The Sicard Family will be hosting a Celebration of Life for Kristie on Saturday, March 4th at the American Legion located at 169 Walton Road in Seabrook, NH beginning at 1:00 PM. In lieu of flowers, the family suggests memorial

donations be made to the American Stroke Society <https://www.stroke.org/en/>.

“ I worked with Kristie about 23 years ago. The first time we went to lunch we went to McDonald's at the drive-thru. I ordered a chicken sandwich, the lady asked if I wanted it grilled or crispy. I said crispy and Kristie turned towards me and said "yes?". She had thought I said Kristie instead of crispy, and we just cracked up laughing. Krispy was the nickname I had used for her ever since. We stayed good friends for years until we both ended up moving away. We would call each other one in a while, she would send me school pictures of Joshua, and even came to Louisiana for a visit when I lived there. When I came back to the east coast for a family member's passing 5 years ago, I stayed with her for a few days. We stayed up late talking and it felt like we hadn't missed a beat. I will miss my friend. She was kind, generous, and made my life better for knowing her. My thoughts and prayers to her family.

“ I am so sorry for the pain and loss your family is going through. I will always remember Kristie's beautiful smile and how we were the only ones in Hampton Falls to share a name. Your family is in my prayers.

“ My heartfelt prayers are going out to the entire Sicard family during this most difficult time. Losing a child is one if not the worst thing you will ever have to go through in life, I lost my 39-year-old daughter Kelly almost eight years ago, and a part of me went with her. I never met Kristie, but I know Karen from coming through my line at Shaw's, and Steve I have known for most of my life, his father Phil worked with my father Buddy Marshall at the Navy Yard and they were great friends. I am so sorry for all that you are going through, and for Kristie's son especially. Just hold on to one another, and I pray for God to help you every step of the way, with love for all of you, Elizabeth Marshall
