“ *Larry and I have called each other on each other's birthdays since 1999, when I left the Rand as pastor. For the past few years we would meet at Hampton Beach State Park when I would drive the Boys & Girls Club there for the day, and he would take me around to visit people. If it weren't for Larry, I would not have been blessed by my visits with Caddie Carter and Shirley Sanborn before they died. The last time I saw him was the day I did the graveside service for Lita Randall, after he had the stroke. I will miss him, but I know he is enjoying his new freedom and endless fellowship with Jesus and many others in heaven.*

“ *Larry I do believe that you are playing cards with Alec and Janet (my mom). I don't know how many bingos I ever went to with all three of you and it was always a night full of laughter. You will be missed. Love you always.*

“ Larry, You were a good man with a lot of love in your heart for others. I remember you coming over to see Aunt Caddie three or four times that week she passed. I can't remember a time I didn't know you, I'm pretty sure you have been a part of my life since I was born, a close and dear friend to my mother, and the entire Marshall family. I love you, and I will be seeing you soon.... Time is going by faster the older we get. Your smile would light up a room, God Bless, Love Liz
