

Larry V. Lee

February 29, 1952 - December 29, 2021

Yardley, PA - Lawrence Vincon Lee, age 69, of Yardley, PA passed away on Wednesday, December 29, 2021. Larry was born on February 29, 1952 in Wenatchee, WA. It was there that he would grow through childhood, attend high school, study at Western Washington University and be introduced to the produce business while working in apple orchards. This work would eventually develop into a lifelong career in the industry and lead him to vast relationships, world-wide travel and decades of independent business operations.

Larry was a man who never stopped knowledge seeking or learning. He was an avid reader across a broad range of topics, especially historical biographies. A business move brought Larry to Boston where he developed a love for being on the water with the salt and wind whipping his face; he equally adored a great run on the slopes. He liked his coffee strong and often, his music a little loud, never tired of museums, an afternoon exploring in the car, a fabulous dining experience or talking to perfect strangers. He had an amazing, full laugh, a never-ceasing love for his family and a passion for prayer. He was a man who dreamed big. He had great conviction, integrity and faith with a tremendous heart for the Lord. He spent his life cultivating this relationship while simultaneously taking time to share its life changing significance along the way.

Larry is survived by his wife and sincere life-partner, Cathylee of Yardley, PA; his three daughters, Rachel Lee, Rebecca and Greg Harris and Mical Whitten; his four beautiful grandchildren Joshua Lawrence-Vincon Lee, Isabelle Whitten, Jackson Whitten and Rosemary Harris; and his two sisters Sandra Larson and Cynthia Woody of Seattle, WA.

Visitation will be from 12 to 1 PM on Saturday, January 22, 2022 in the Remick & Gendron Funeral Home, 811 Lafayette Rd, Hampton, NH 03842. A Celebration of Life in his honor will follow the visitation starting at 1 PM in the funeral home. Burial will be in the Central Cemetery, Rye, NH. The family has asked in lieu of flowers that donations be made to Philabundance (<https://www.philabundance.org>).

“ *Cathy,*

We are so sorry for your loss. We will miss Larry. Our relationship over the years grew from a business one to a personal friendship. We will always remember the time we had together at a industry event in New York City. We had a wonderful time with you and Larry.

Thank you Liz. Such a hard loss. Miss him everyday, so much. Love these pics. Josh and I around the same age in them. The one of dad and Josh is one of my all time favorites. We were in Boston at the zoo. Love their profiles together. It's really amazing how much they resemble each other in pictures.

“ Cathy,
There are people we are fortunate to have in our lives who possess a myriad of noble and righteous qualities that draws us to respect and emulate. Larry's love and joy of family, fearlessness in business, genuine concern for friends and humanity and zeal for life inspired in me progress and growth. Larry's energy, soul and example will always be a part of me. He will be in my prayers forever as well as those he loved and esteemed.

Amish country - "God's Country" as Larry called it - and boy, was he right. Absolutely breathtaking and magnificent. Such a beautiful day we all shared together on August 3, 2021.

Dear Cathylee - our hearts are breaking for you and we are very sorry for your loss of Larry. Wow, we are so glad that the four of us saw each other this summer while we were visiting PA. It had been WAY too long since we had seen you guys - and so great to share time over dinner in Doylestown - and then your and Larry's generosity of time - as you drove us all over Lancaster county (Amish country - "God's country" as Larry said, and how right he was - so magnificent), sharing history and information about the people, their farms, their work ethic. And then our crazy dinner at the Shady Maple Smorgasbord! We enjoyed some good laughs that night. And have shared so many fun memories together - skiing out at Beaver Creek, dinner at Beano's cabin, sailing on Gypsea... Larry was one-of-a-kind with a big presence and that big laugh - he will be missed and not forgotten. He made an indelible mark on our world and our lives. Thank you for sharing him with us. God Bless and Comfort you and Larry's family. Love, Liz & Ed Stott

“*Dear Cathylee,
Dan & I are in shock from the news which we just heard this morning. Larry was such a love! We only regret that we had so little time with him. We loved hearing about his business and seeing the two of you together. Please let us know anything we can do for you.
We love you,
Leigh & Dan*
