“ I’m sending my sympathy and prayers to Lenora’s family who she loved so very much. Lenora and I became instant friends while sharing work on projects at the Congregational Church of Wells within the Women’s Fellowship and Ladies Benevolent Society. Lenora was always generous of her time with support of various events over many years. I will remember Lenora as a sweet soul and will always remember her soft spoken voice. I enjoyed many visits with Lenora at her home in Wells especially after Jack’s passing. We loved sharing updates on our families. I believe God sends special people into our lives and I will always treasure the friendship Lenora and I shared.
