“ *Dear Sal and family, I had the pleasure of doing Linda's hair for the last couple of years. She always spoke of her family and how much she loved being with them especially at Christmas and on visits to California and Las Vegas. We had great conversations and i always enjoyed her company. Linda was a lovely person. I am sorry for your loss.*

“ *My aunt was a wonderful person and I miss her dearly. She was a second mother to me. Her guidance, advice and words of wisdom helped me throughout my life. My heart is broken, but over time we will all heal. She loved to golf and go to Las Vegas and visit her money. I'll always remember that she hated spiders! She would yell Michael there's a tarantula, get it! She may be gone, but will never be forgotten. I'll love you always.*

“ *I am so sorry to hear of Linda's illness and passing. I was Linda's classmate at GHS and saw her and Sal from a distance at our 50th last summer. I couldn't get to her through the crowd and so regret not reconnecting then. Like all of our classmates. I thought highly of Linda and always appreciated her sunny and sweet disposition. I live in Newburyport now and was surprised to hear that she had lived and worked here. I would love to have enjoyed her friendship in our adult years. You are in my thoughts.*

“ Bob and I were very sorry to learn of Linda's passing. I graduated from Gloucester High School with Linda. Our deepest sympathy is extended to Sal and Linda's family and friends. I ran into Linda about a year ago when we were grocery shopping in Seabrook. I had not seen her for many years. As always she was smiling and extremely upbeat, Even though she knew she had been given a very grave diagnosis, she was dealing with it in a very positive way. I will always think of Linda with a smile on her face and a twinkle in her eye..Again, our thoughts and prayers are with her loved ones.

“ To the Chilluffo family, I am a former student of Linda's from Newburyport High School Class of 1969. She was my Spanish teacher when I was a senior . Her influence encouraged me to be a dual language student in college (French/Spanish). Linda was a thoughtful and caring person. I consider myself very fortunate to have known her. I will keep your family in my prayers,

Way back in 1967 Linda was my Spanish teacher at Newburyport High School. She was a good teacher and became a good friend To this day I remember listening to the Red Sox in the world Series in Spanish class. She was the BEST. Sorry for you loss. Mike Doyle
