I haven't worked at DGO for almost 15 years. But, I remember Linda. When I was hired in 2000. Linda was very friendly (I was nervous and she noticed) and she welcomed me to "the DGO family". She was an incredibly nice lady and any one who met her knew she was special, and that you were special to her. She always showed great kindness to me. Kelly, my condolences to you. You and your mom were so close. She'll always be with you. Always.
