

Linda (Schrempf) Perkins

April 21, 1962 - June 11, 2026

Seabrook - Linda (Schrempf) Perkins, 64, a Seabrook resident the majority of her life, passed away at her home on Thursday, June 11, 2026. She was born April 21, 1962 in Newburyport, MA a daughter of late Harold and Dorothy (Devenish) Schrempf.

Linda loved flowers, especially lilacs. She had many friends and enjoyed playing cards, Yahtzee, karaoke and discussing whatever issues were the talk of the town.

She was a devoted mother who always had her children's back no matter what. She often worried about others well-being more than her own.

Linda loved her family and shared a special bond with her late mother Dorothy whom she dearly missed since her passing. The middle child of 5 sisters, she shared many fond memories of holidays and often confided in her sisters to get through difficult times, all of whom have been by her side in the most difficult times.

Linda leaves behind the love of her life Steve Perkins who she shared 30 years of marriage with. In addition to parenting their children, they took on the role of parents to their grandson Robert Eaton Jr. who affectionately referred to as "Mimi".

In addition to her loving husband and grandson, she is survived by her sons who she counseled, protected and loved unconditionally, Chris Eaton of Manchester and his spouse Jamie, Ryan Eaton of Seabrook and Robert Eaton and his wife Trisha of Seabrook; 11 grandchildren; 5 sisters and many nieces, nephews and friends.

She was predeceased by her parents; her grandson Tyler Michael Eaton and her niece Tameka, whom she had a special relationship with.

Linda will be sorely missed by family and friends alike.

A celebration of life is being planned for a later date with dates and times to be announced here.

“Mimi” That's what I learned to call you when I was little, and it always felt so special. I have so many warm memories of your home, playing Wii in the living room and watching TV shows with you. So much of my childhood was spent making those precious memories there. Our relationship became complicated, and I truly regret not having had the chance to reconnect with you in recent years. It's still hard to believe you're truly gone, but I find comfort knowing you're no longer in pain and are reunited with all the loved ones you missed so much ☐.
