

Logan Daniel Morse

September 22, 2004 - September 2, 2023

Seabrook - Logan Daniel Morse, age 18, of Seabrook, passed away unexpectedly on Saturday, September 2, 2023.

Logan was born in Beverly, MA on September 22, 2004. He was the son of Stacey (Merrill) Morse of Seabrook and the late Kyle Morse. Raised and educated in Seabrook and Hampton, Logan attended Winnacunnet High School and graduated in 2023.

Logan was a sweet, kind, loving person who wore his heart on his sleeve, he would light up any room he walked into with his contagious smile, and laugh. Logan loved animals of all kinds, he enjoyed nature, sitting at "The Wall" with his friends, and he absolutely loved fishing.

Logan was a caring, emotional, goofy brother who always found ways to make his siblings laugh whether it be intentional or not. He often liked to goof around with his siblings by playing loud music and dancing, or simply saying silly things to cheer them up. Logan had the utmost love for his nieces and nephew, showing them the same silly side he showed his siblings.

Logan had such a big heart and was always there to help anyone in need. Even in his passing he continued to help others through organ and tissue donation. Logan was able to donate his big beautiful caring heart, his kidneys,

liver, and corneas, along with skin, bone, tendons, and other tissue.

Fly high, you will forever be on our minds and in our hearts, we love you
Logan D!

In addition to his mother, Logan is survived by his siblings; Tyler and his wife Allison Morse of Seabrook, Jaelene Morse of Key West, Florida, and Kayden Morse of Seabrook, his grandparents; Dennis and Maryjo Merrill of Merrimac, Massachusetts, and David and Patricia Morse of Merrill, Maine, his uncles; Jason and his wife Gisell Merrill of Atkinson, Casey Merrill, Craig Morse of Kentucky, and his aunt Holly Ferrini of Nashua. He is also survived by his nieces Brynn, Eloise, and his nephew Rowan. Logan was predeceased by his grandmother Grace Morse of Venice, Florida.

“ *Dear Stacey,
My heart just breaks for you and your family. And for Logans friends and all who knew and loved him.
There are no words to express how deeply his loss is felt. He was such a sweet boy, and will be missed fiercely. I enjoyed all the times our boys went fishing together, their conversations, their laughs, their concentration as they fished side by side over the years. Lean on your family and friends now, they will help you. Anything you need Stacey. I wish you didn't know this pain. Much love from my heart to yours, Annette*

“ Logan my next door neighbor truly was a ray of sunshine, and my heart is broken into a million pieces. Just the day before the accident we were talking down by his mailbox, and I told him I miss the chickens, he said to me you just go around that side of the garage, you can come and see them and feed them whenever you want. I can honestly say he always took the time to talk to me, and he had that beautiful smile...I'll never forget it, or him. Logan I know your going to watch over all of us, and I just want to tell you how much I will miss our chats. I remember the day you and your brother were heading down the road with your fishing poles just like it was yesterday. To Logans Mom, brothers, and sister I have been praying for you all since I first heard, and I will continue to pray for you all. If there is anything I can do please don't hesitate to reach out to me. I prayed over and over God if you heal Logan completely so he can live his life you can take me Lord. Logan was so good that God needed him back home.... In his 18 years he brought so much happiness to others, Now he is getting all of his rewards. I will miss you my friend, but I will see you soon.
