“ Auntie Lois, you were devoted to your family and you always had a wonderful sense of humor - goodness, what a sharp wit! I have fond memories of visiting you in your various frog decorated homes, playing Rummikub, sharing memories about my Dad, and hearing about your travels. I loved listening to you laugh! You were full of love and it was always obvious, through your jokes, questions and stories, that your love for Lee and Lynne was always at the forefront of your mind.

Love to you and peace to you, dear Auntie Lois,

Your brother Ray's daughter,  
Your niece,  
Kirsti

“ Lois was a kind and compassionate person. She loved to work around the yard and made everything look so nice. She loved to fix things, rather than throw them out, which is a good quality. I loved her dry humor. She'd always wink at you, and give you that smile of hers. She was one in a million and I am proud to call her my friend. I will miss her so much, and wish I had known her longer. She was loved. RIP Lois, until we meet again.
