“ *I am so sorry to hear about Lorraine's passing but I know the joy she has in being reunited with Eric and Steven. I spent a lot of time with Lorraine when her boys were little, and my girl loved nothing more then to play in the junk yard with the boys. My daughter Kelly was extremely close with Eric, and took his loss very hard. May you rest in peace now my friend, and my prayers go out to all of the family during this sad time.*
